

DIVORCE OPTIONS FOR YOU!

WHAT YOU NEED TO KNOW ABOUT HOW TO DIVORCE . . .

PASADENA COLLABORATIVE DIVORCE (PCD) presents this **FREE PUBLIC SERVICE** to empower couples to make well-informed and effective long-term decisions, with options that help preserve respect and money, and to also educate professionals working with couples.

Attendees learn to understand the legal, financial, and emotional aspects of divorce. Topics include: the different divorce options, the pros and cons and relative costs of each, divorce-related terms, and which approach may provide desired outcomes under different financial or interpersonal circumstances.

Few people are actually familiar with all the divorce options, for example:

- **Self-Representation (“Do-it-yourself”)**
- **Mediation (Traditional, Co-Mediation or Enhanced)**
- **Collaborative Divorce**
- **Traditional Litigated Divorce**

Professionals trained in all the options, help you learn how to get started and answer questions. We are licensed mental health professionals (“Divorce Coaches,” “Child & Co-parenting Specialists”), financial professionals (CPA’s) specifically trained in divorce financial matters, and family law attorneys.
